AFTERWORD
I'll cut the formal stuff and just give a sloppy afterword. Actually what do I even write about (laughs). Umm, well for starters nice to meet you all. This is my first volume ever published. Yaaay. To exclaim in one word, I'm feeling "Haaappy!" That's what's important eh? Ah, I ran outta things to say (laugh).

Well, I've been smoking more lately. About 2 boxes a day. More Coffee too. Like 10 cups a day. I've gained weight. I'm about 70kg-ish. I'm unhealthy. I don't go out as much now. Yes, unhealthy. But however it is I want to wander through life happy-go-lucky. Alrighty. Pretty much it. Yeah. Until next time—
